221 students

District Academic Opportunities

Career Internship is a credit-bearing program for juniors and seniors who participate in a 75-hour internship in the Rochester area.

Project Lead the Way helps students explore the field of engineering. Courses include: Principles of Engineering, Design & Drawing for Production, Computer Aided Drawing (CAD), Digital Electronics, Computer Integrated Manufacturing, Computer Science and Software Engineering.

Community Service is a credit-bearing program for students who volunteer for approved organizations, individuals, and groups needing assistance.

Network of Complementary Schools allows students to experience specialized study in a variety of settings for two to three weeks. Pittsford Mendon High School is one of 21 public/private schools throughout the United States and Puerto Rico who participate in this network.

Advanced Placement
461 students took 1,035 APs
89% = 3 or higher

The Community
Located outside of Rochester, New York, Pittsford is a suburban community of 30,000. Most residents are professionals and business executives who demonstrate strong support for the educational system. Pittsford’s two high schools, accredited by the New York State Board of Regents, serve approximately 1,900 students in grades 9-12.

Curriculum
Recognized for educational excellence, Pittsford Central Schools provide a distinctive curriculum to meet the needs of a talented student population. Curricular offerings range from Honors and AP classes in all major academic areas to Regents level collaborative instruction for students requiring additional academic support. Students can choose from approximately 160 courses, which meet for 40 minutes five times per week.

Grade Distribution in Core Subjects
(Core subjects include Math, Science, English, Social Studies and World Languages.)
This data is from unweighted, individual subject grades and does not correlate with cumulative grade point averages.

Grade Explanation
The student’s grade point average (GPA) is computed at the end of junior year by using the unweighted final mark in all subjects except physical education, health, internships, and community service. Students are not assigned a rank in class.

Assessment Record
Non Common Core Regents examinations are based on a 100 point grading scale. Common Core Regents examination results are assigned a performance level as follows: 5-exceeds standards, 4-meets standards, 3-passing; partially meets standards, 2-safety net; partially meets 1-does not meet.

Honors courses can include English 9, 10, 11, Survey of British Literature, Geometry, Algebra 2/Trigonometry, Pre Calculus, Physical Setting Chemistry, Physical Setting Earth Science, Physical Setting Physics, Living Environment Biology, French 3, 4, Spanish 10, 11, and Latin Literature.

Regents level laboratory sciences meet one extra period per week and Advanced Placement science classes meet for two extra periods.
