SUBJECT: FUND RAISING BY STUDENTS

The Board of Education provides funding for program and most program-related educational activities in the annual budget. Under certain circumstances, individual buildings, student organizations, classes, groups and/or individuals may solicit funds directly or conduct fund raising activities to supplement budgeted funds or replace budgeted funds not included in the budget.

Fund raising for other approved purposes will be reviewed and authorized annually by the Superintendent or designee in accordance with established procedures.

Fund raising projects in which students sell merchandise, provide services, or in other ways solicit money for school activities may be sponsored by school organizations with the express approval of the Superintendent. Any such plan shall have a clearly defined purpose and, in general, shall contribute to the educational experience of students and shall not conflict with instructional programs or state mandates. Fund raising activities away from school property shall be held to a minimum.

Door to door sales projects undertaken by any organization using the Pittsford Central School District name will be limited to students in grades 9-12 and shall require previous approval of the Superintendent. Profits shall be used to enhance school programs by providing money for expenditures not normally funded by the District.

All participation shall be voluntary.
