

# meet the TEACHER

dear families,

I am thrilled to be joining the kindergarten team, and cannot wait to meet all of you! I have spent over twenty years in education as a teacher, substitute, I:1 special education paraprofessional, and most importantly, a parent. The last six years, I have had the privilege of working at Thornell Rd. where all three of my children attended, and are now in college, high school, and middle school.

I am so excited to be on this adventure alongside Mrs. Collins, as the children embark on a year full of inquiry, wonder, and a tremendous amount of growth. Have a fun and safe summer,

about me

My family and I live in Pittsford with our sweet dog Poppy. My daughter Sophia attends The University of Buffalo, my son Max will be a senior at Mendon High School, and my youngest Alex, will be in eighth grade at Barker Road. My husband Chris and I are often found at various sporting events, musical and dance performances, or art shows. We are very proud of all three of our children and attribute much of their success to their time at TRE.
