

meet the TEACHER

dear families,

I am so excited to be working at TRE this year in the same classroom that all three of my kids had for their wonderful Kindergarten experiences! TRE is a special place, and I am thrilled to help your child start their journey here this year. We will learn so many new things, make new friends, and have tons of fun!

I got both my BS and MS degrees from The College of St Rose in Albany. I have taught in the Guilderland and Canandaigua School Districts. I also spent seven years teaching preschool and Transitional K at Christ Clarion Preschool in Pittsford.

I look forward to meeting you soon!

favorites

Outside of teaching Kindergarten I love to read, walk my dog, and get coffee at Starbucks. My family loves music and we spend our weekends listening to live music all over Rochester. Very often one of my children will be part of the performances!

about me

I live in Pittsford with my husband, Tom, and our 3 children, 1 dog, and 2 cats. My husband is a pharmacist for Walgreens. My daughter, Katherine, is a secondary social studies teacher. My daughter, Molly, is a student at The Crane School of Music. My son, John, is a senior at MHS. My dog is very old but still very playful. Her name is Nelly. Our cats are named Josie and Mario. A fun fact about me is that I grew up on a sheep farm in Cobleskill, NY.
