

## 4<sup>th</sup> Grade Chorus at Thornell Road Elementary School

Greetings from Mrs. Rice!

Welcome to 4<sup>th</sup> Grade Chorus!! I am very excited to begin working with you!

Chorus gives a person a special opportunity to be part of a large group ensemble that works together as a team to make music by singing. Students have the option to participate in the Fall and again in the Spring. **No audition** is required, only the **love** or **desire to sing**, a willingness to learn more about your voice and interest in various styles of music. You will also learn how to follow a conductor, have a great deal of fun, and have a sense of pride from working together as a musical ensemble.

**Once your student has made a commitment to be part of chorus, there is an expectation that students will be present at each rehearsal and participate in the concert. Please note that any student participating in Girls On the Run will also be able to be in chorus. The coaches and I work out a schedule to share rehearsal/practice time.**

As with sports teams where it is important for every member to attend each practice, it is equally important for Chorus members to attend each rehearsal, be our best selves and do our best work.

**In order to keep our chorus students safe and healthy, they will be sitting 3 feet apart and wearing masks during rehearsal.**
