Student Loaned Technology Protection Plan

Students assigned a district device are responsible for all damages whether intentional or accidental and theft or loss of the device. Responsibility for the repair caused by a malfunction, maintenance issue or misuse will be determined by the Pittsford Central School District Information Technology Department.

Enrollment Information

The Student Loaned Technology Protection Program is optional and provides an inexpensive solution to parents to reduce the potential financial burden if an accident or theft of the device occurs.

Parents/guardians may decline to participate in the Program, but will be **fully responsible** for any associated costs for damage or theft. The Student Loaned Technology Protection Plan will cover the current school year and is non-refundable.

Students in grades 6-9 are receiving a District Loaned Technology Device; if you choose to be enrolled in the protection plan the following must be completed:

1. Complete the Pittsford Central School District Student Loaned Technology Protection Plan form to opt-in or opt-out (decline) coverage.
2. If the Plan (coverage) is selected, pay the annual program fee. Payment can be made online through the Parent Payment Portal: <https://www.pittsfordschools.org/Page/107> or by check mailed to the attention of Leeanne Reister, Director of Finance, 75 Barker Road Pittsford, NY 14534.

If you do not return the form with your selected option by **October 1st**, you will not be enrolled in the protection plan.
