Important Health Documentation Information

Dear Parents/Guardians,

May 2016

You are receiving this letter because you have a child entering grades kindergarten, two, four, seven or ten. For these grades, New York State Education Law requires proof of a current physical examination with updated immunizations. **This information must be submitted within 30 days of the start of school.** The law also requires school districts to request dental health certificates at the same grade levels. Each form is described below.

Health Appraisal Form

Please have this form completed by your child's physician. Please make sure all immunizations are listed on the form.

Student Health Information Form

Please complete this form with information you are the most knowledgeable about.

Dental Health Certificate

- Please have your child's dentist complete this form.
- If you have questions about accessing dental services, please contact my office and we will assist you.

Please return the completed forms to your child's health office by October 1, 2016.

For further information, please feel free to call my office or contact the nurse at your child's school. Thank you in advance for providing these important documents.

Sincerely,

Patricia Vaughan-Brogan Ed.D.
