<tr>
<td>World Kindness Day is on Tuesday, November 13. This month, the Library Olympics Challenge is to learn about different places around the world.</td>
</tr>
</tbody>
</table>

To enter Library Olympics for November, please complete the following:

1. Read a book—fiction OR nonfiction—about a place you have never visited; it must be a real place—no fantasy books. There are some available in the Park Road library, or you may choose a book from home or another library. Record information about the book below:

   | **Title:** __________________________________________ |
   | **Author:** ________________________________________ |
   | **Place Name:** ____________________________________ |

   (next page, please)

2. Share one thing you learned about the place you read about:

   ________________________________________________
   ________________________________________________
   ________________________________________________
   ________________________________________________
   ________________________________________________
   ________________________________________________
   ________________________________________________
   ________________________________________________
   ________________________________________________

3. Think about the place you read about. What is something kind you could do for that place or for the people living there that would make a real difference?

   ________________________________________________
   ________________________________________________
   ________________________________________________
   ________________________________________________
   ________________________________________________
   ________________________________________________
   ________________________________________________
   ________________________________________________
   ________________________________________________

   (next page, please)

4. Design a passport stamp for the place you “visited.” Draw it below:
