If you prefer to use a travel agent to book your trip, use First Choice Educational Tours. They are aware of Pittsford's high standards for commercial carriers and understand our policies and procedures.

Travel Agent:

First Choice Educational Tours	Kathy Hall Karen Hall	kathyhall@tours4students.com karenhall@tours4students.com	585-343-1313
--------------------------------	--------------------------	--	--------------

This list contains contact information for charter bus companies that PCSD uses on a regular basis. The PCSD Transportation Department typically holds updated insurance documentation and completes regular online company statistic safety checks for these companies. The companies on this list comply with the high standard policies and procedures we use to transport our Pittsford students safely. This usually enables a smooth process for charter trips.

While it is beneficial to work with a charter company on this list, they are not the only charter companies that are acceptable. Other companies may be booked for charter trips, however ample time will be needed to acquire the necessary insurance documentation and check safety ratings in order to clear the new charter company to transport our students.
