COVID-19 Face Covering Requirements

The below statements are from the "Pittsford Schools Protocol for Required Face Coverings" document, and must be followed by all students, coaches and parent helpers.

"For the 2020-2021 school year, or until further notice, each student, employee, visitor or other person must wear a face-covering at all times when on or inside any property owned, leased, or operated by the School Board, including schools, administrative buildings and buses, as well as during any school or District sponsored activity whether on District campuses or at other locations."

"Face-coverings must cover both the mouth and nose completely, and fit snugly against the sides of the person's face with little or no gaps. Face-coverings must be made of solid material, not a largely porous material. They cannot have exhalation valves or vents that allow air to be exhaled through a hole in the material."

"Breaks provided should follow these guidelines:

- 3-5 minutes in duration, minimum once per 40 minutes
- Students may take additional brief, intermittent breaks due to excessive heat, tolerance level
- Students are seated and not engaged in discussion / group work
- Students will be distanced 3 feet or to the extent practical"
