

Welcome to Second Grade!

Dear Second Grader,

Welcome to second grade! We hope that you are having an amazing summer and can't wait to hear all about it! We love teaching second grade, but most of all, we are excited to have **YOU** joining us!

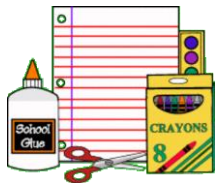

Second Grade is GREAT! It will be an exciting year together filled with plenty of teamwork, learning, and fun. In second grade we will read exciting books, learn how to spell many words, and write and publish wonderful stories. In math you will solve challenging problems, while also playing math games with your friends, and in science, you will get to be a part of exciting projects and experiments!

One of our favorite parts about second grade is meeting a room full of new friends! On **Wednesday, August 28th at 11:30,** the Second Grade teachers will be having an Open House for you and your parents in your new classroom. We would love for you to come to say hello and drop off your school supplies (listed on the back of this letter). We look forward to meeting you and your family!

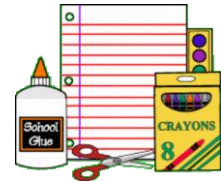

Enjoy the rest of the summer and we will see you soon!

Sincerely,

The Second Grade Teachers
