

Busy Making Paper in the Greenhouse!

Any 5th grade Thornell Road student has the opportunity to learn more about recycling by participating in our Greenhouse project at school. Service Stars will learn how to make handmade recycled paper out of material from the blue box, study worms and how they make natural compost and learn how to grow and care for herbs and flowers in our Greenhouse. We train all students from 3:00 - 4:00 on Mondays in the Greenhouse. **To participate students need to have a signed permission slip and a ride home at 4:00 pm.**

Go to <http://www.pittsfordschools.org/webpages/sdoran/service-stars.cfm> to watch the movie and learn more about the Greenhouse project.

Service Star Green House Permission Slip (return to main office c/o Mrs. Doran)

I give permission for _____ to stay after school on Monday and work with Mrs. Doran in the Greenhouse.

To attend the Greenhouse Project on: (check all that apply):

- | | |
|--|---|
| <input type="checkbox"/> Dec. 4 th | <input type="checkbox"/> Jan 29 th |
| <input type="checkbox"/> Dec. 11 th | <input type="checkbox"/> Feb 5 th |
| <input type="checkbox"/> Dec 18 th | <input type="checkbox"/> Feb 12 th |
| <input type="checkbox"/> Jan 8 th | <input type="checkbox"/> Feb 26 th |
| <input type="checkbox"/> Jan 22 nd | |

I will pick up my son/daughter before 4:00 using the back top side entrance of the parking lot and meet them near the cafeteria/greenhouse.
