## Mrs. Kokinda's Fifth Grade Class

# Health

The best way to stay healthy is to eat a balanced diet and get loads of exercise. Having a balanced diet is getting enough of everything. Be sure to eat lots of veggies as they are packed with vitamins, fiber, and minerals. Some good choices for veggies are broccoli, peas and beans. Getting enough fruits is also very important because they give you antioxidants and fiber. Overall, you should have a balanced diet. Get enough veggies, fruit, protein, grains, and dairy. A good way to do this is to eat the right proportions of your food. Half of your plate should be filled with fruits and veggies, the other half should be filled with grains like pasta, and protein. So eat healthy to stay healthy!

## Quotes

"Eat a rainbow in your fruit and veggies" says school nurse Mrs. Chambers

**Mrs. Chambers says "Blueberries, bananas, avocados, and strawberries are the best fruits."**

## Facts

- ☐ Berries are packed with antioxidants
- ☐ Spices like turmeric are good for our health
- ☐ Probiotics are good bacteria that are in curd/yogurt

- Vyom Sambhy

Huang and  
Elise Pinto

## The saxophone

We interviewed two saxophone players, Taylor and Luka. They said, "I like Mrs. Regan, she is very nice." They also said, "I like that there is a big range of notes on the saxophone."

The bell

The keys

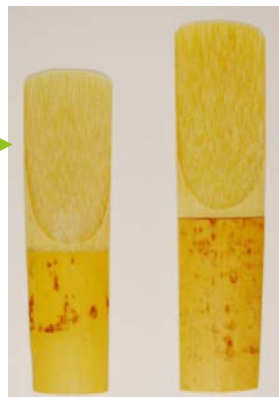

The ligature

The saxophone is part of the woodwind section

In order to care for your saxophone you must use special cleaning supplies, such as grease to slide in the cork easier, and a swab to clean out the inside of your saxophone.

The saxophone is a wind instrument, therefore it uses a reed. A reed is a piece of wood that vibrates when you blow between the reed and the mouthpiece.

Fun fact:  
The founder of the saxophone was named Adolph Sax, he added "aphone" to the end of saxophone because "aphone" means sound.

# — MATH +

## Kindergarten problem

Bob has 6 crayons and Jimmy gives him 3. How many crayons does Bob have?

## First grade problem

Simon has 26 letter blocks. Billy took away 8. How many blocks does Simon have?

## Second grade problem

Billy-Bob-Joe gets \$150 for his job. He spends \$90 on his house. He finds \$20 on the street. Then he spends \$80 on food. How much money does he have?

## Third grade problem

Sponge Bob has 28 Crabby Patties. He gives 7 customers 4 for free. Mr. Crabs gives each customer 16 more. How many do the customers have in all?

## Fourth grade problem

Nick deleted 22 noobs in Fortnite. He got eliminated by a pro. If Nick had 127 wood and got 55 wood from each noob, how much wood did the pro get?

## Fifth grade problem

Cecily gets \$2,000 each day from working a Starbucks. She splits the money with her and her brothers James and Alex. How much does each sibling get?

By: Simon George, and Joshua Angona

# History Of Pittsford

## TOWN HALL

11 South Main Street

- The Town Hall used to have a theater to put on shows for the public.
- In 1916, the Town Hall was a two story office building, then they added more offices and took down the theater and gym.
- The Pittsford High School basketball players used to use the Town Hall's gym for practices because their high school had no gym.
- The Town Hall was built in 1890, it's 129 years old.

SARA VARON

We asked Sara:  
“What do you like  
most about writing?”

Sara Varon:  
“What I most like  
about making books is  
bringing my characters  
to life and creating the  
world they live in. I  
hope my readers enjoy  
visiting this imagined  
place.”

Sara Varon is a children's book author, illustrator, printmaker and comic artist. She's written about 10 books, and she's already getting ready to publish more. Kids seem to be wanting to see her books more and more. Here are some of Sara's books:

Robot Dreams is a book about a dog and a robot who are besties. But something happens to the robot, and the dog betrays the robot.

New Shoes is a book about a shoemaking donkey, Francis, who's friend has disappeared into the jungle on a errand for Francis. Francis learns new things and meets new friends on his journey.

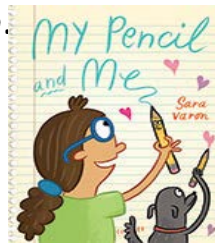

Bake Sale is a book about a cupcake that owns a bakery and is in a band. The cupcake has a friend, who knows cupcake's idol. So cupcake's friend suggests they go and meet her.

Chicken and Cat Clean Up is a book about two friends who own a cleaning business and go to tidy up someone's house.

Sara Varon is already planning to publish two new books in 2020.

If you are interested on finding any more information on Sara Varon go to her website. Check out a Sara Varon book in the library today!

# TECHNOLOGY

By Nate Andolina and Kane Sauer

## INTERNET SAFETY

**Be sure to follow these tips on internet safety!**

- **Only use websites approved by parents or teachers.**
- **Do not chat with strangers on the internet.**

**Mrs. Sweeney, our school librarian, said:**

- **“Do not share any personal information on the internet and;**
- **Understand what you’re getting into when you sign up for something.”**

## A GUIDE TO OUR SCHOOL COMPUTERS

**Word:** Word is a computer program where you can type up your stories, letters, or whatever you want!

**Word Q:** Word Q is a computer program which automatically fixes your spelling errors in word.

**PowerPoint:** PowerPoint is the program we used to create this magazine! You can make slideshows or just print your cute cat photos!

If you could change anything about JRE, what would it be?

"Vivian, a 5<sup>th</sup> grader in Mrs. Polivino's class said "To get options like a bigger gym and make there more things to do for recess."

Lexi, a 4<sup>th</sup> grader in Mrs. Claffey's class said "Make it bigger."

Robert, a 3<sup>rd</sup> grader in Mrs. Terenzi's class says "Maybe we could sit with our friends during lunch."

What is your favorite thing about JRE?

Owen, a 2<sup>nd</sup> grader in Mrs. Shaw's class says "I like the people in JRE."

Anna, a 1<sup>st</sup> grader in Mrs. Williams' class says "Playing with my friends, having challenges in P.E, seeing my brother, and making projects."

Mia, a kindergartener in Mrs. Baker's class says "Going outside for recess."

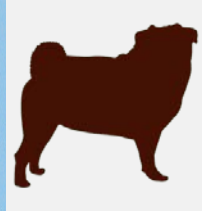

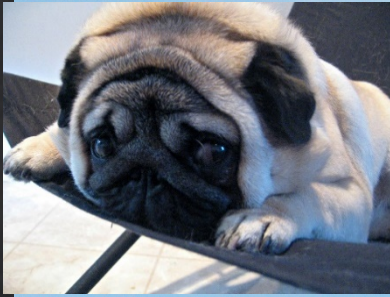

## An interview with the principal

If you could change anything about our school, what would it be?

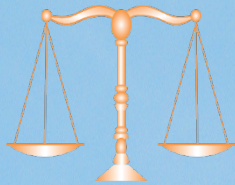

"I would love to have more opportunities for kids to be engaged in really fun and authentic projects."

# All About The PUG

Weight: 14-18  
pounds

SMALL

Height: 10-11

Some things you should know about a pug: pugs are very playful, loyal, friendly, outgoing, and loving. They are very good family dogs, and they get along well with kids. Pugs are very sanitary, which means they are clean. They also keep their owners safe from harm. In addition pugs need a quick brushing once every three weeks. Did you know that pugs originated from ancient China?

By : Matthew  
Boufford, and  
Leah Klueber

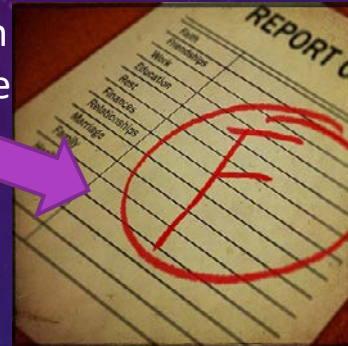

This information is from : complete guide to dogs, and I love my pug

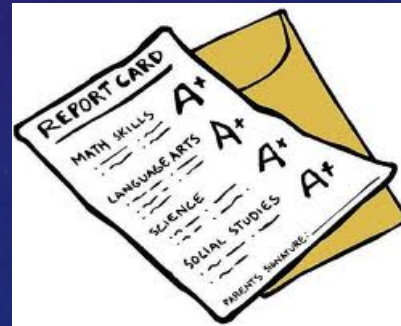

## SCHOOL HACK OF THE ISSUE:

A *hack* is a clever way of doing something

If you have too much stuff on your schedule your grades could go downhill!!!

This is what a good planned out calendar looks like

## SOME TIPS

- Do your homework as soon as you get home, UNLESS you have an activity as soon as you get home.
- If it's a long term project, don't do it at the last second.
- Try not to get distracted.

## Schedule planning

Question: How do you fit all your school work in with a busy schedule?

**Fourth grader Alivia Rehkopf** says, "I do my homework right when I get home and don't wait until the last second."

**Fifth grader Emma Cook** says "I get home and then and then I do my homework on the way to my activities."

**Chase Dermody** says "I do my Homework right when I get home."

**Carlasia Clark** says, "I do my homework right when I get home and If I don't finish it then I do it the next morning."

**Ryan Munzinger** says, "I also do my homework when I get home."

**Ben Leonard** says, "I do my homework right when I get home."

**Charlie Glazer** says "I do my homework after my activities."

Become an even better student, follow their lead!!!!

# DEBATE PAGE

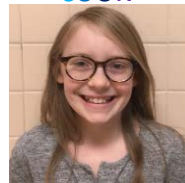

Created by :  
Emmeline Cook &  
Kate Pinto

Should our  
school have  
30 minutes  
of recess?

NO

Emma  
cook

No, we should not have 30 minutes of recess because students need to spend time learning about important subjects like math and writing. If we spend our time at recess then we won't have as much time to learn and get ready for tests. We might get too goofy and won't be able to concentrate.

YES

Kate  
Pinto

Yes, I think that we should have 30 minutes of recess because students are being cooped up all day and need a break. Also because students won't be doing their best thinking with no breaks in school. Furthermore people don't get to see their friends in other classes and recess brings together all the classes. Kids might even make new friends at recess.

## WHAT DO YOU THINK OUR NEXT QUESTION SHOULD BE?

Write your question idea and send it to Mrs. Kokinda's classroom by May 10. Make sure to include your name and class code. We will pick a winner and do the question on our next debate page. We will also mention your name in the page, and if you feel comfortable your picture.

# EVENTS

1<sup>st</sup> and 2<sup>nd</sup>: NYS test grades 3-5

7<sup>th</sup>: Teacher appreciation day

9<sup>th</sup>: Second grade play

12<sup>th</sup>: Mother's Day

14<sup>th</sup>: Fifth grade chorus &  
band concert

23<sup>rd</sup>: Fourth grade chorus &  
orchestra concert

24<sup>th</sup>: No school

27<sup>th</sup>: No school

3<sup>rd</sup>: Fourth grade  
science state test

11<sup>th</sup>: Field day for 3<sup>rd</sup> 4<sup>th</sup>  
and 5<sup>th</sup> grade

14<sup>th</sup> : Flag Day 10-11:30

16<sup>th</sup>: Fathers day

21<sup>st</sup>: Last day of school, 5<sup>th</sup>  
grade graduation

Carnival is in May, too! It is a school-wide activity. Students play games during P.E. that the members of student council make, and the student council runs it.

# HOPE YOU HAVE FUN! 😊
