

Name (first + last): _____

Teacher's Name: _____

May Library Olympics! Grades 3 – 5

This month, our Library Olympics Challenge is to identify the **book** (*not the character's name*) where each of the characters displayed outside of the Park Road Library are found.

Write the name of as many **book titles** as you can in the boxes next to the characters pictured below, then return this sheet to the library. At the end of May, the student with the most correct answers will be our Library Olympics winner (in the case of a tie, we will hold a random drawing)! All entries are due by Friday, May 31.
