

Accessing the Morning Madness Stream *from a Windows 10 computer*

- 1.) Click on the window icon in the bottom left hand corner of the screen
- 2.) Scroll until you find the icon labeled “MHS Morning Show”
 - Click on the icon, this will open the link to the stream in Internet Explorer
 - Internet Explorer will open and go directly to the webpage where the stream will play

NOTE: The Morning Madness stream link will only work through Internet Explorer web browser on PCs
