Vocabulary Word of the Day: You can respond to this word any way you would like. I will be posting our typical vocabulary packets on my website just in case you would like to print and use them. If you cannot print, you can always recreate the page on a piece of paper or even in a Word document. I highlighted the definition in black so that you do not see it until you try to figure it out for yourself. Just change the highlight to see it.

Word: **irk**

Sentence: I was irked when I looked in the refrigerator and saw that there were only onions to eat.

Writing Prompt: They say on average each person has seven other people who look exactly like them somewhere on Earth. Today, you meet all seven while in an elevator.
