

## What do I need to do today?

These things need to be done every day, Monday - Friday

Put a check-mark next to each item as you complete it each day.

\_\_\_\_\_ Do my **CHORES** for the day: empty dishwasher, fold laundry, pick up my room, pet care, take out the garbage... (The adults in your house get to decide which chores you have to do each day!)

\_\_\_\_\_ **READ** for at least 30 minutes

\_\_\_\_\_ Practice my **MATH FACTS**

\_\_\_\_\_ Work on the **MATH PROBLEMS** sent by my teacher

\_\_\_\_\_ Work on my **WRITING** assignment from my teacher

\_\_\_\_\_ Do a **SCIENCE OR SOCIAL STUDIES** activity (one sent by my teacher, or using one of the websites on the [PCSD Home Learning Resources](#) page)

\_\_\_\_\_ **GET PHYSICAL** - Play outside for at least 30 minutes or check out the Physical Education links on the [PCSD Home Learning resources](#) page for some indoor physical activity fun

\_\_\_\_\_ Do a **QUIET ACTIVITY** by myself for at least 30 minutes – puzzle, coloring, reading, yoga, nap – with no electronics

\_\_\_\_\_ Do something **CREATIVE** – draw, build with Legos, bake, do a craft, play some music (look on the [PCSD Home Learning Resources](#) page for some more ideas!)

**Parents:** Please check out the [PCSD Home Learning Resources](#) page for more ideas to engage your children in meaningful and creative learning experiences at home!
