

6th Grade Supplies (PLEASE LABEL SCHOOL SUPPLIES WITH YOUR CHILD'S NAME)

*If you purchase the school supply kits, the yellow highlighted items are not included in the basic kit. Also, the kits are built assuming that for Foreign Language, Health, and Home and Careers classes students will use a divider and section in a shared binder so no separate binder is included in the kits for those classes but rather a just a divider. Most of the highlighted items are available to add to your order in the bulk section of the school supply order.

Please send supplies with your child on the first day of school
