HOW TO FIX THE "WIDOWS AND ORPHANS" ISSUE

If the text of a paragraph is separated by its section heading on the previous page(resulting in an extra large, bottom margin on the previous page), your paper will look like this...

such as silks, perfumes, and spices. Science moved forward in the fields of seismology, anesthesiology, medicine(acupuncture) and astronomy. Advancements in engineering were made in the fields of ship-building, suspension bridges and paper-making. The Han Dynasty was known for many great achievements and this contributed to the era being considered a golden age.

Struggles of the Han Dynasty

Extra large margin (greater than one inch) we have to fix this!

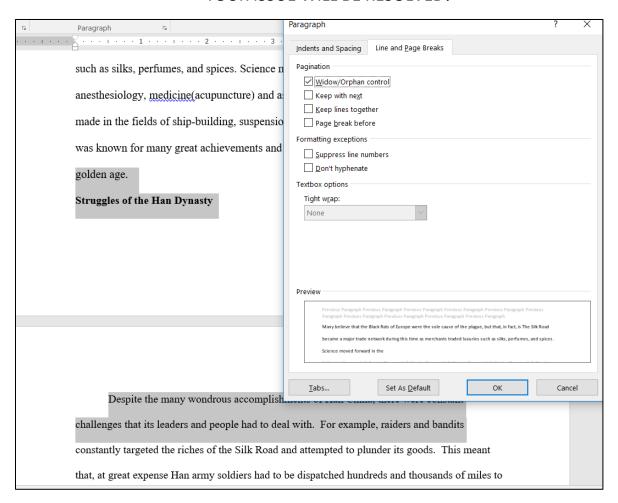

Smith 2

Despite the many wondrous accomplishments of Han China, there were constant challenges that its leaders and people had to deal with. For example, raiders and bandits constantly targeted the riches of the Silk Road and attempted to plunder its goods. This meant that, at great expense Han army soldiers had to be dispatched hundreds and thousands of miles to

SEE THE NEXT PAGE FOR THE SOLUTION...

- STEP 1: Highlight lines of text with your mouse that are on both sides of the page break.
- STEP 2: Right click anywhere on the highlighted text, and
- STEP 3: Select the Paragraph option on the toolbar that pops up.
- STEP 4: Click on the "Line and Page Breaks" Tab
- STEP 5: The "Widow/Orphan control" box is checked by default, DESELECT this option by clicking on the checkmark.

YOUR ISSUE WILL BE RESOLVED!

NOW YOUR PAPER WILL LOOK LIKE THE EXAMPLE ON THE NEXT PAGE!...

Now the paper looks correct!
