

Dear Parents –

This year a subcommittee was formed as part of our Instructional Leadership Team focusing on climate, culture, and student need. One of the targets of this group is to create a resource and supply center for students in need of support. We have seen a growing need recently for school supplies, clothing, and personal hygiene products.

We are reaching out to our CRMS community for your support. We invite parents to drop off supply donations between now and through the summer. Suggested items include:

- Flash drives
- 1 ½ and 2 inch binders
- Binder “dividers”
- Pencil cases
- Backpacks
- Composition books
- Deodorant
- Boxes of tissues
- Paper
- Folders

Additionally, if you are cleaning out closets in the next few weeks and want to donate a few winter items, we also see a need for:

- Winter coats
- Sweatshirts and hoodies
- Hats, gloves and mittens

Please drop off donations in the Counseling Office, Attention: Amy Daniels  
Donations will be accepted anytime!

Your generosity and consideration is greatly appreciated. Have a wonderful summer!

Sincerely,

*The Administrators and Counselors at Calkins Road Middle School*
