

WELCOME TO CALKINS ROAD MIDDLE SCHOOL

Parent information and quick reference guide

Riding the bus

If a student wants to ride another student's bus, a note must be brought to the Main Office in the morning to be verified.

Late Bus

If a student is staying after school, they can take the 3:30p late bus shuttle to SHS to then get their bus home. All students taking the late bus need a pass from the adult they were staying with.

Enrichment

Enrichment is an additional period each day that the students are in a team core class. This rotates through the subject areas. This period is used for extension activities, labs, reteaching and team building exercises.

Homework

Homework is posted every day on the CRMS website by 3:30pm. Please check this site for information before requesting work.

Attendance Line

If your child is going to miss school for any reason, please call 267-1909. If a child is out for two consecutive days or more, homework requests can be left on the Attendance Line. Homework can be picked up after 3:30p. Please see CRMS website for policy about requesting work for vacations.

Signing in/out of school

If a student arrives late to school, a parent must come into the Main Office to sign in. The same procedure is in place for picking up early (even if a note is sent in the morning)

Cell Phone Policy

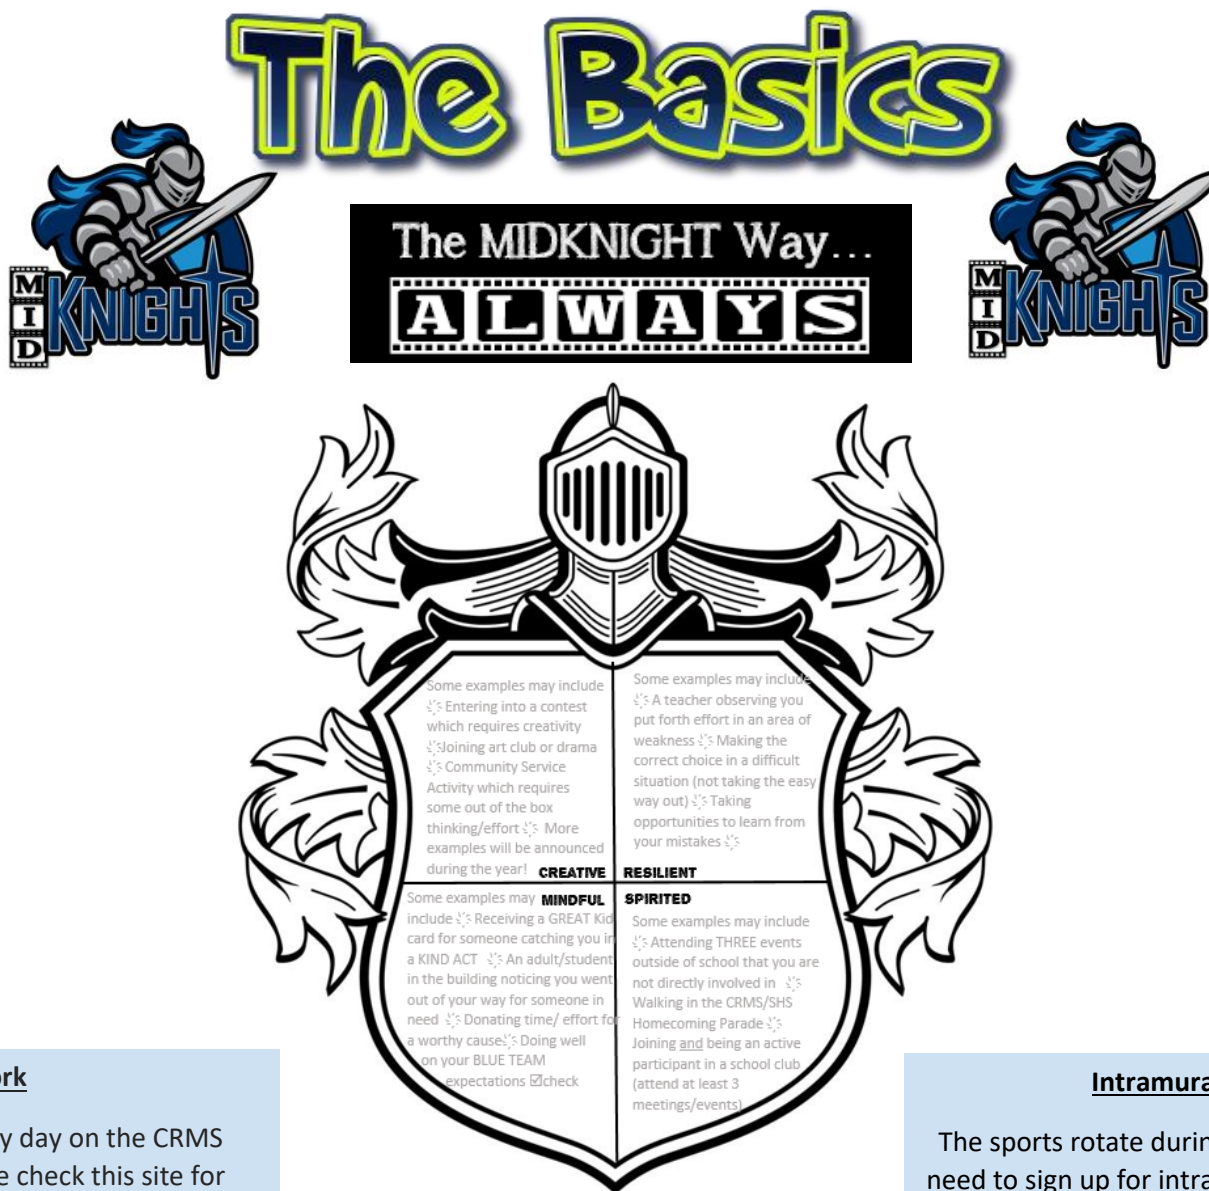

Students are allowed to have a cell phone at CRMS. The cell phone is not to be used during the day AT ALL. The exception is if during a learning activity under the direction of a teacher.

Parent Loop

When picking up or dropping off your student before or after school, please be sure to follow the signs for the parent loop. Cutting through the parking lot can create dangerous situations.

Intramurals after school

The sports rotate during the year. Students do not need to sign up for intramurals in advance. Students take the late bus or get picked up at 3:30p.

CRMS Teams

What is the purpose of Middle School Teaming?

The team structure supports a smaller environment within the larger context of the school. Faculty and staff get to know the students extremely well, meet every day, and grow and foster meaningful relationships.

Calkins Road Middle School 6th graders can participate in after school intramurals which are held 2:30 – 3:25 PM. Interested students should speak with their PE teacher about schedule and options.

Pittsford students have the benefit of a full range of interscholastic athletics. Below is a listing of available modified sports for 7th and 8th grade students. In addition, eligible students may qualify for high school level competition depending on sports classification and team tryouts.

Some options for students getting extra help

Library- Students may choose to stay at the school library after school to complete work independently.

Homework Club is a quiet, supervised location after school for students to complete school work. This can be optional or assigned by teachers as needed.

Structured Study Hall occurs during the school day or after school as assigned. A staff member supervises SSH, helping students with executive functioning needs, creating organization and work plans, and communicating with teachers. This is a scheduled class. If you have questions, please reach out to your child's teacher(s) or counselor.

Health Office

267-1940

Please communicate any medication needs or changes, recent concerns, or any questions about your child's needs.

Code of Conduct Meetings

-presented to each team by Mr. Falzoi in the fall
*information is accessible to parents online (after presentation)

Meeting the Counselors

Our counselors meet with every 6th grade student several times during the year in a small group. It is important for this relationship to have a good start as this connection last throughout your child's middle school experience!

A note from Calkins Road Middle School
You will be pleased to know that _____ is being recognized for having shown/demonstrated one or more of Calkins Middle School's "Core Values." These nominations can come from teachers, administrators or other staff. These cards are a way to recognize students who are setting a positive example in our school community by adhering to our core values of being Creative, Resilient, Mindful and/or Spirited (CRMS). We appreciate your child's contribution to our school community!
