Fun in the Sun! Happy Summer!

Thank you everyone for being such an important part of the JRE school community and all of the different ways you supported the school and your child(ren) this year.

We've had fun filled busy days the past few months. This month's newsletter highlights many of these events, which were a huge success in large part to the parent volunteers and planning. We are so appreciative, and you will see the excitement and joy in the children's faces.

For all of the 5th graders, we wish you the very best as you continue your educational journey and move to 6th grade.

For all of us returning to JRE next year, enjoy this summer break and we are excited to have you back in the Fall. You can expect a summer mailing in mid-August as we plan for the 2022-2023 school year over the next few months.

Have a wonderful, safe and joyful summer. It is truly a pleasure to be the principal and a part of your children's lives.

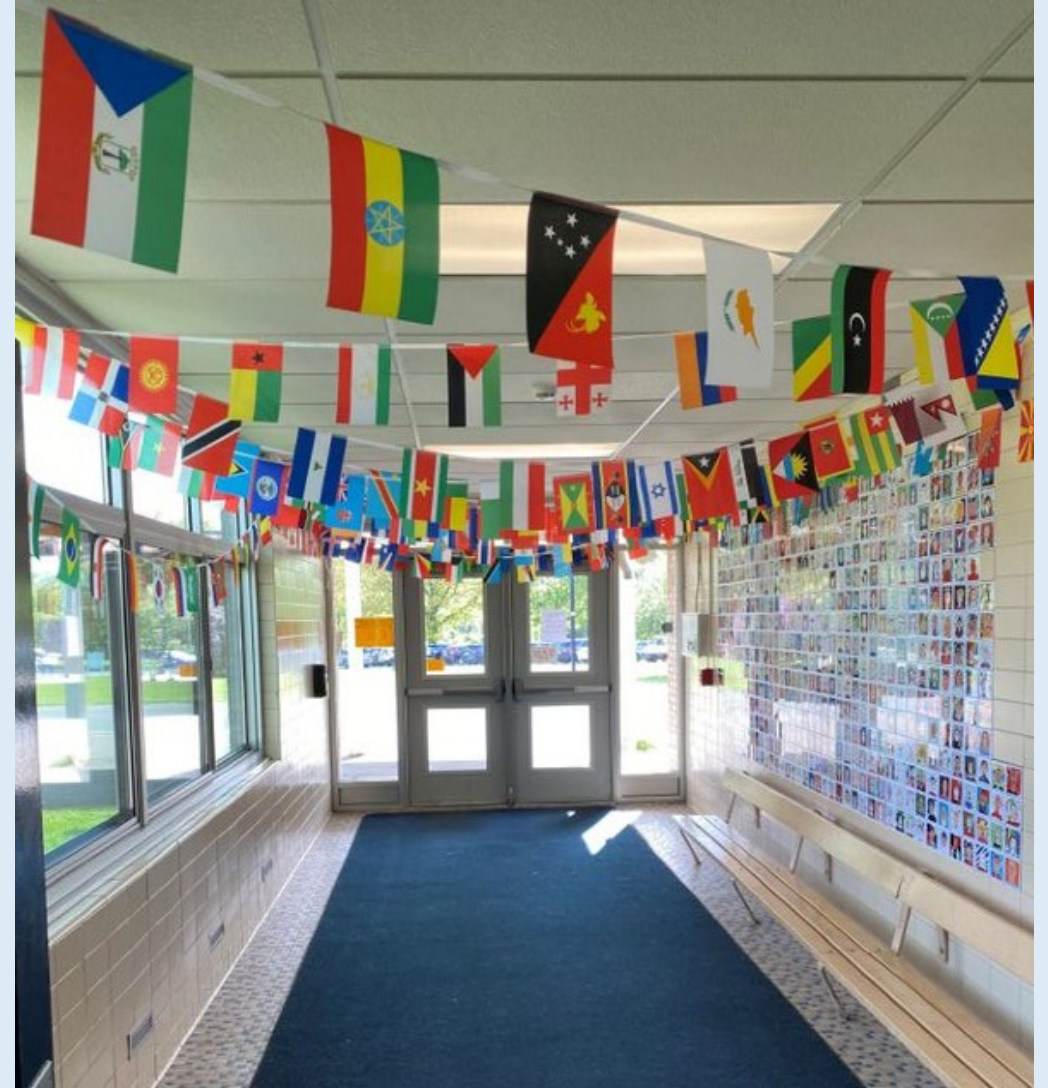

All the best,
Dr. Kedley
