

Second Grade Homework Contract

The purpose of homework is to develop responsibility and to enhance learning through daily practice. Homework is most effective when children and adults agree to a daily routine that is compatible with family life. As per district policy, your child will receive 20 minutes of homework each night.

Fill out the form below to help you plan your homework and study time and space.

Circle the answer that fits you best.

- When I do homework I need: a. quiet b. soft music
- When I do homework I like to: a. be alone b. be with my family
- I will do homework: a. as soon as I get home b. after I play for a while

The areas in my house that are good for reading are:

1. _____
2. _____
3. _____

Look at your answers above and talk about homework with your parents. Decide on a plan together.

The place I will do homework is: _____

The place I will read is: _____

The time I will do homework is: _____

If I need help I will _____

You should agree to spend 20 minutes each night on homework.

We agree to this contract.
